OREGON RUSH REFUND POLICY

Oregon Rush Soccer Club is always working to help our membership in any way we can, and as such we will grant refunds to players who leave the club.

Refunds may be granted for the following cases, and will be prorated based upon the Oregon Rush Pro-Ration Policy:

1. Injury: any player with a season/year ending injury prior to the season will receive a full refund. During the season the player shall petition the Board of directors for determination of a refund.
2. Relocation: any player who moves prior to the start of the season will receive a full refund.
3. Failure to Form a Team: any player who has paid and then the team/program does not take place will receive a full refund.
4. Player decides not to play: before season and player registration, full refund; after registration, see pro-ration policy.
5. Oregon Rush will not refund money for uniforms or other personal items purchased; we will however facilitate the sale of these items to other members if that possibility exists.

Any family that does not agree with the amount of refund received has the right to bring the matter before the Oregon Rush Board of Directors.

All decisions made by the BOD are final.
